

PONDER! Read Luke 8:40-42, 49-56 with your family. Talk about how Jesus healed the 12 year-old girl. What did Jesus say to Jairus? Imagine how excited the family must have been to see her stand up!

PRAY! Pray this prayer each day this week: "Lord, please heal those in our family who are sick. Just as You helped Jairus, help us believe in Your healing power. Amen."

PLAY! Get Well! Make a "get well" snack or create a "get well" card for someone you know who needs healing. When you deliver it, share the story of Jairus and his daughter. Tell the sick person, don't be afraid, just believe!
