What does persecute mean?

To persecute someone is to treat them unfairly because of who they are or what they believe.

### GOD CHANGED SAUL'S HEART

**Acts 9:1-20**  
Saul did not believe that Jesus was God's Son. He was headed to Damascus to stop followers of Jesus from telling others about Him. Suddenly a bright light from heaven flashed all around Saul. He fell to the ground and heard a voice asking, "Saul, Saul, why do you persecute Me?" It was the voice of Jesus. God changed Saul's heart to want to love and follow Jesus.
