

PONDER! Read 1 Corinthians 2:1-3, 5 with your family. Paul wrote this letter to his friends in Corinth. He visited Corinth to tell others about Jesus. How did Paul feel while he was there? Who did Paul trust to help him when he was weak and afraid?

PRAY! Pray this prayer each day this week: "Lord, help us when we are weak. Thank You for being so strong! Amen."

PLAY! What is an example of something that shows God's power? Without speaking, act out a picture of God's power. You can be the wind or the sun or anything that reminds you of God's power. Have your family or friends guess what you are pretending to be.
