

HAT DOES IT MEAN TO ME?

Jesus didn't seem to be in a hurry to get to Jairus' house. Why do you think Jesus took time with others in the crowd when He had been told the girl was very sick? (Circle all true answers.)

- a. He didn't believe she was really sick.
- b. He wanted to draw a bigger crowd.
- c. He knew He could heal her.
- d. He was tired.
- e. He needed to be sure people would believe in His healing power.

Now imagine that Jesus had been there, in your room so that you could see Him, when you were sick. How would you have felt if Jesus came, sat down on the edge of your bed, took your hand, and called your name?

Jesus heals us in one of three ways: right away, along the way, or someday (in heaven). Think of a time when you were very sick. Did you pray that Jesus would make you well?

Healing Jairus' Daughter **BETWEEN THE LINES**

Take some time to read the story of Jesus healing Jairus' daughter in Luke 8:40-42 and 49-56. Try reading it out loud, to yourself or a family member.

HAT DOES IT SAY?

Who came to Jesus in this story, pleading for help?

Who did he want Jesus to heal, and what was wrong with her?

While Jesus continued teaching, a messenger arrived. What was his message?

When Jesus finally got to Jairus' house, what did the people there say to Him?

Look again at Luke 8:54. What, specifically, did Jesus do to wake up the little girl?

HAT DOES IT MEAN?

Think for a moment about all the things that Jairus did in the story to try to help his daughter. Do you think Jairus believed in Jesus? Why or why not?

What challenges do you think Jairus faced in going to Jesus?

In your own words, tell how Jesus knew the girl was just "sleeping" and how He healed her.
