

WHAT DOES IT MEAN TO ME?

Jesus is the only one who can open our ears, eyes and hearts in a way that we can listen and know what we must do to be saved. We never hear or understand Him without that miracle. How has Jesus opened your ears to listen to Him?

How has He opened your eyes and your heart to know Him?

When it gets personal:

When did you first hear about Jesus?

Where do you see Jesus at work in your life?

Jesus speaks to us through the Bible, through nature and through those who love Him. Have you ever felt that Jesus was speaking to you? Yes / No
If so, what was Jesus saying to you?

Eyewitness Reports:

There are 4 very special books in the Bible called Gospels. The word "gospel" means "good news." The gospels tell us about Jesus' life. These books were written by Jesus' disciples, who were eyewitnesses to all that He did. Each gospel was written for a different purpose and from a different perspective.

Mark is the only gospel writer who includes this story. How is this healing different from the others we have read about?

How is it the same?
