God of Wonders Part 1: Miracles of Jesus
Unit 4, Lesson 17

Saving the Official's Son

Lesson Aim: To know we can trust God to always keep His promises.

THE WORSHIP

Who God is: Jesus as Savior

THE WORD

Bible Story: John 4:46-54

What He has done: Jesus saved the boy from a terrible fever.

CRAFT: TIME TO TRUST GOD

Purpose: Create a paper clock showing the time 7 o'clock, when Jesus saved the man's son. This serves as a fun reminder to trust in God for his perfect timing.

Supplies: Craft template, sturdy white paper, paper plate, paper fastener, glue or tape, crayons or markers

Prepare: For each child, use the template to print and cut out a set of clock parts from sturdy white paper. Cut out the face of the clock, the two clock hands, and the number 7. Pierce the ends of the two clock hands and the center of the paper plate.

Directions:

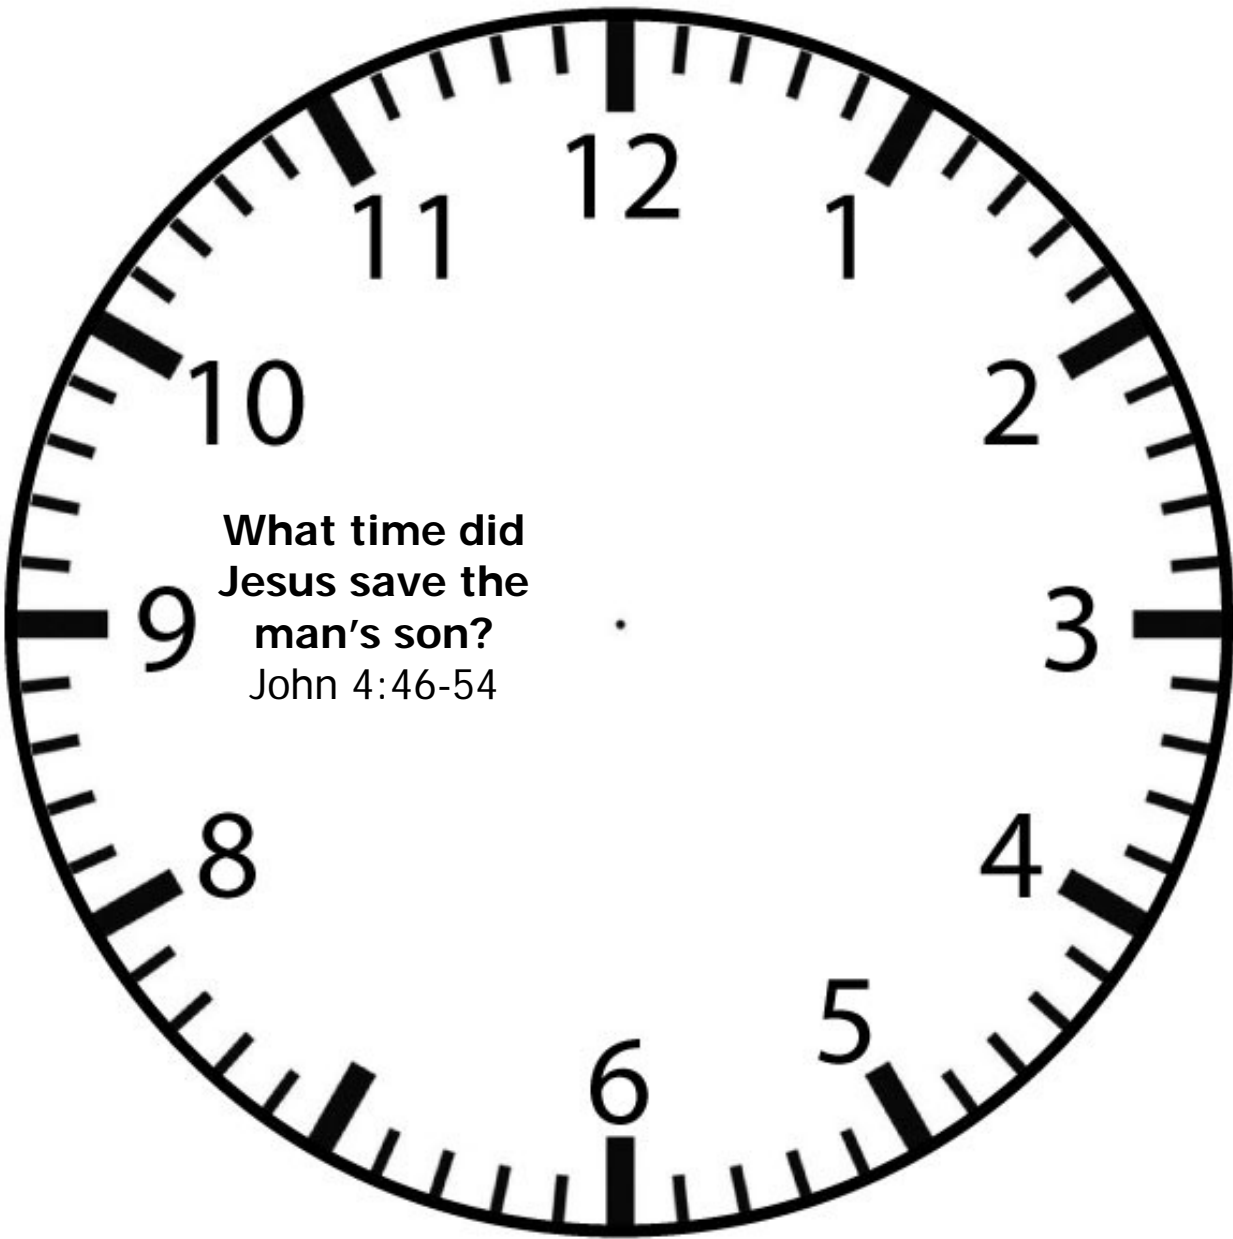

1. Attach the clock face to the paper plate.
2. Color the clock face and the plate.
3. Attach the number 7 onto the plate in its correct place, between the 6 and 8.
4. Use a paper fastener to attach the clock hands.
5. Show children how to move the clock hands to change the time. Show them where the hands would point to indicate 7:00.

Ages 2-3 Craft Discussion:

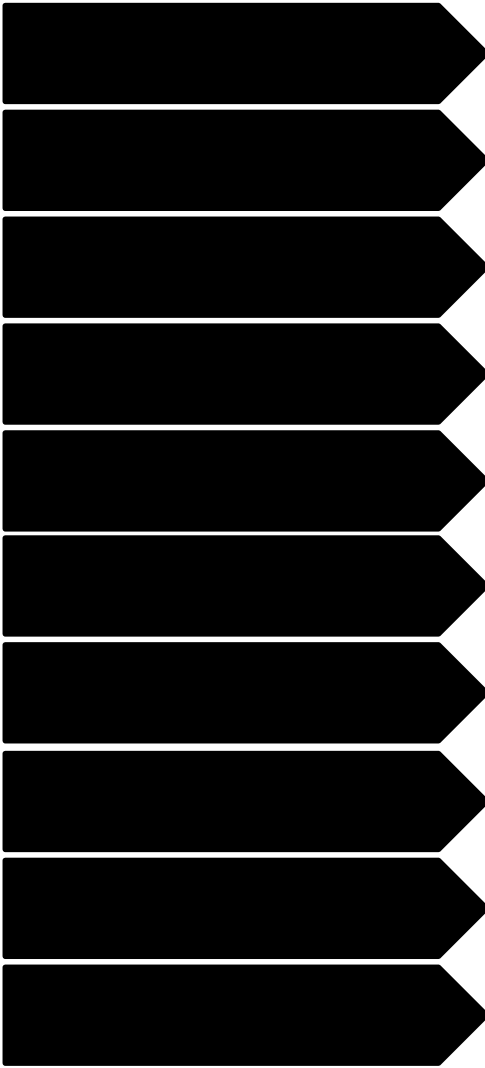

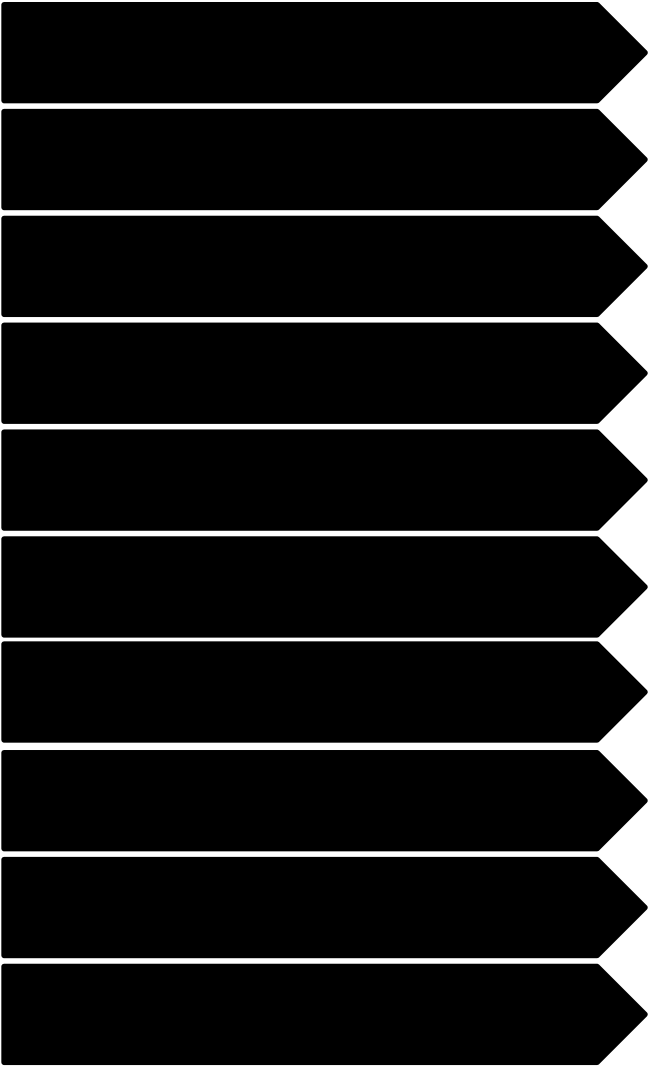

- The man's son was healed in the exact moment Jesus said, "Your son will live."
- What time was the son healed? (What we call 7:00 today.)
- Move the clock hands so the time is 7:00. Put it on a table at home. Each time you see it, remember we can trust God to keep His promise that things will happen exactly when Jesus says they will.
