

**PONDER!** On the third day, God made the land, seas, plants, and trees. On the fourth day, He created the sun, moon, and stars (Genesis 1:9-19). God filled the heavens and the earth with good things. What is your favorite thing that God created?

**PRAY!** Pray this prayer each day this week: "God, thank You for the sun, moon, and stars. Thank You for the trees, fruits, and flowers. Help us take good care of all You have made. Amen."

**PLAY!** Take a family walk through your neighborhood or a nearby park. Honor God's creation by picking up any trash you find. Or, on a clear night, go outside and count the stars! Thank God for each one.

#### BIBLE MEMORY VERSE

"In the beginning  
God created  
the heavens  
and the earth."  
Genesis 1:1

Place the index finger of one hand between the fingers of the other hand and twist it. Both fists make a twisting motion as they bounce on top of each other. Begin with open hands raised in front of your body, palms facing each other. Hands move up in an arc toward each other and cross at the top, fingertips pointing upward and palms facing away from you. Thumb and middle finger touch the top of the back of the other hand and rock back and forth. Hold hands open, as if holding a Bible.
