**PONDER!** Read Genesis 1:9-19 with your family. On the third day, God made the land and filled it with plants and fruit trees. What is your favorite fruit? On the fourth day, God filled the sky with the sun, moon, and stars which help us know the time of day. What is your favorite time of day?

**PRAY!** Pray this prayer each day this week: "God, thank You for the sun, moon, and stars. Thank You for the trees, fruits, and flowers. Help us take good care of all You have made. Amen."

**PLAY!** Thank God for the land He created by taking a family walk through your neighborhood or a nearby park. Collect any trash you find along the way. On a clear night, go outside and search for the stars. Count how many different stars you can see! Thank God for each one.
