### Worship the GOD OF WONDERS!

We worship God today as Creator of heaven and earth. He created the world and then filled it with good things for us. This week, thank God as the Creator of all good things.

### MEMORY VERSE Psalm 139:13-14

"For You created my inmost being; You knit me together in my mother's womb. I praise You because I am fearfully and wonderfully made; Your works are wonderful, I know that full well."

*When you can say this from memory, color in the ladybug.*

### CREATING THE WORLD: DAYS 3 & 4 Genesis 1:9-19

In the beginning God created the heavens and the earth. On the third day, God made the land and seas. Then He filled the land with plants and fruit trees. God saw that it was good. On the fourth day, God filled the skies with the sun, moon and stars. He put them there as lights and to help us mark the days and months. God saw that it was good.
