PONDER! Read Genesis 1:20-31 with your family. On the fifth day, God made the creatures in the water and the birds in the air. What is your favorite flying or swimming animal? On the sixth day, God made all the animals that live on the land: creeping things, wild animals, and people. What is your favorite animal God has made?

PRAY! Pray this prayer each day this week: "God, thank You for creating birds, sea creatures, animals, creeping things, and people. Help us take good care of all You have made. Amen."

PLAY! Sing a song about animals. Draw a picture of some of the animals God created. Place your picture somewhere to remind you of all the things He created.
