### **GAME: 20 CREATURE QUESTIONS**

God made every kind of living creature special and unique. He made creatures of different shapes, sizes, and colors. He made them with different strengths, weaknesses, and habits. Let's play a game called 20 Creature Questions. In this game, I will whisper the name of a creature from the land, the sea, or the sky to one of you. The rest of you may ask up to 20 questions to guess the name of the creature. If time allows, play again. All day today, thank God each time you see a creature He created.

### **CHRIST CONNECTION:**

God gives life to all creatures. For all people who believe in His Son, He gives eternal life and calls us a new creation. Let's see what God has planned for those who believe. Reveal Ephesians 2:10. Read.

God worked to create us as a special part of His creation—that is what it means to be God's workmanship. What does this verse tell us we were created to do? (Good works.) What are some examples of good works God has prepared in advance for us to do? (Caring for others, teaching, leading, serving, encouraging, giving, etc.)

**What job did God give to the man and woman?** (Rule over all the creatures.) **What does it mean to rule over all the creatures?** (We are to take care of them.) **God gave us a special job.
