**PONDER!** Read Genesis 11:1-9 with your family. Discuss how and why God stopped the people from completing the Tower of Babel. How can we build things that serve and help people? How can we give God credit for what we build?

**PRAY!** Pray this prayer each day this week: "Thank You, Lord, for giving us all we need to build for You. Use the things we build to help others and point them to You. Amen."

**PLAY!** Gather building blocks or other stackable items and take turns building a tall tower together. As you add each block, share something wonderful God has done by completing this sentence: "God is great. He \_\_\_\_\_" (e.g., Gave me friends, made me a fast runner). It will be a tower built with praises!
