God of Wonders Part 2: Genesis through Joshua
Unit 6, Lesson 31

Abram Goes to a New Land

Lesson Aim: To know we can trust and obey God's direction.

THE WORSHIP

Who God is: The God Who Provides

THE WORD

Bible Story: Genesis 12:1-8

What He has done: God called Abram and promised to bless him.

AGES 2-5 CRAFT: ABRAM FINGER PUPPET

Purpose: To remember Abram's physical journey to a new land.

Supplies: Sturdy white paper, glue or glue sticks, crayons or markers

Prepare: For each child, use the template to print and cut out an Abram finger puppet and label from sturdy white paper. Cut out the two finger holes on the puppet.

Abram trusted God and obeyed His directions to go to a new land. When he arrived, he thanked God. He was able to walk about the land in freedom because he trusted and obeyed God's direction. Today, we will make an Abram finger puppet that walks about in freedom in a new land.

Directions:

1. Color Abram.
2. Attach the label to the back of Abram.
3. Show children how to put their index and middle fingers through the finger holes for Abram's legs and feet.

Craft Discussion:

- **God had a special plan for Abram. He told Abram to move to a new land.**
- Sing the Unit 6 Bible Memory Verse Song as you help your Abram finger puppet "walk about the land in freedom."
