

PONDER! Jesus went to the top of the mountain with His friends (Matthew 17:1-8). What do you think it was like to see Jesus' face shining like the sun?

PRAY! Pray this prayer each day this week: "Lord, thank You for showing us Jesus is Your very special Son. Help us to listen to Him every day. Amen."

PLAY! Stand where your family or friends cannot see you. Tell them to listen closely and do what you tell them to do. Take turns. When you finish playing, talk about how God wants us to listen to Jesus by reading His words in the Bible.
