Review: Parable of the Vine and the Branches

Today, we will hear Jesus' Parable of the Workers in the Vineyard. A vineyard is a field of grapevines. A denarius was the usual pay for a full day's work. It is an ancient Roman coin made of silver. Reveal Bible Story Scripture Reference: Matthew 20:1-16. Find It First. Highlight Key Verse Matthew 20:13. Pray. Read.

THE WAY GRIN OR GRUMBLE

What did the vineyard owner pay the workers? (The same amount—one denarius.) **Why did some of the workers grumble?** (They thought the owner was being unfair.) **How would you have felt if you worked all day and were paid the same as those who worked one hour?** The owner was fair because he paid each of them what he had promised.

The owner was generous to those who came later. Generous means giving freely. How was he generous? (He gave a full day's pay to all of the workers.) **God is fair and generous like the vineyard owner. What does God give to everyone who follows Jesus?** (Life forever with Him.) **How is God fair?** (He keeps His promise to give life forever with Him to everyone who follows Jesus.) **How is God generous?** (He gives life forever with Him whether we have followed Him for a long time or a short time.)

The owner gave the workers who came later a denarius they had not fully earned or deserved. That is called grace. In God's grace, He gives us blessings we have not earned. What are some examples of gifts of grace—things He has given you that you did not earn? What is the greatest gift God has given us that we did not earn? (God sent His Son to give us life forever with God.)

Some workers chose to grumble. What other choices could they have made? (To be thankful for the denarius and glad the landowner was generous to the others.)

If time allows, play GRINNERS & GRUMBLERS game located in the GOT TIME? segment of this lesson.

This week, whenever you see someone has been given an extra blessing, I challenge you to smile about our generous God and be a "grinner" instead of putting yourself first and being a "grumbler."

CHRIST CONNECTION:

We can choose to enjoy seeing God be generous to others. When we complain something is unfair, we may be envying the one who received the special attention or gift. Jealousy and envy are unhappy feelings of wanting what someone else has. Let's see what the Bible says. Reveal Proverbs 14:30. Find It First. Highlight. Read.

Have you ever felt jealous of someone who received a generous blessing from God? Next time you are feeling jealous, ask God to help you be truly happy for those who received the blessing. Ask Him to remind you of the blessings He has generously given you.
