

Nehemiah Rebuilds the Wall

Lesson Aim: To know God wants us to work together.

THE WORSHIP

Who God is: The King Who Builds His Kingdom

THE WORD

Bible Story: Nehemiah 1:3b; 2:3-5; 4:3, 6-9, 15-18; 6:15

What He has done: God helped Nehemiah rebuild the city wall.

CRAFT: NEHEMIAH'S TOOL BELT

Purpose: To remind the children of the story of God helping Nehemiah rebuild the city wall.

Supplies: Standard-size white sturdy paper, yarn, crayons or markers

Prepare: For each child, print and cut out a hammer, sword, and tool belt (full sheet of paper). For the tool belt, fold the top third of the paper up to create a pocket (folding under the scripture reference). Tape both sides of the pocket. Punch a hole in each end of the tool belt. Cut a 40-inch length of yarn.

Directions:

1. Color the sword, hammer, and the tool belt.
2. Thread the yarn through both holes in the tool belt.
3. Teacher or helper ties the tool belt around the child's waist.
4. Put the sword and hammer in the tool belt.

Craft Discussion:

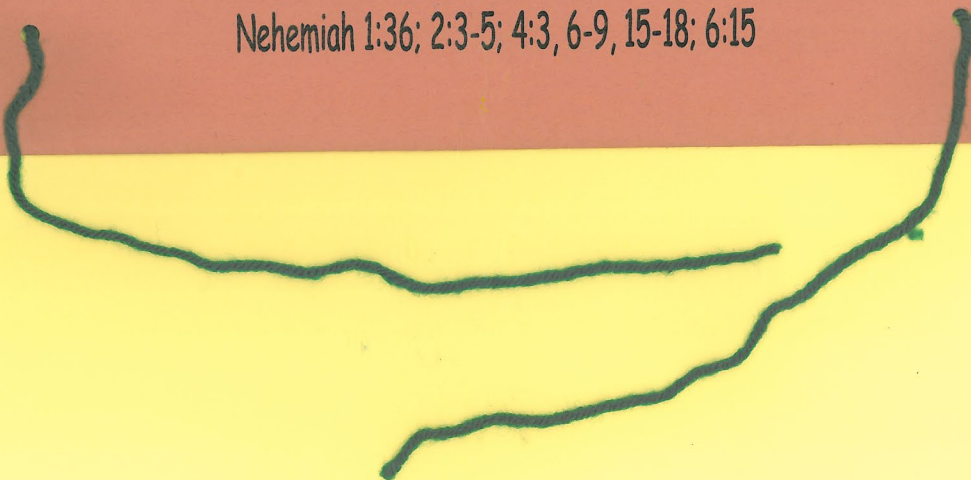

- **The city wall was broken! What did the people do to fix it?** (They worked together.)
- **Everyone helped rebuild the wall. They carried their tools in one hand. Let's put our hammers in our tool belts.**
- **Did the enemy outside the city like the wall?** (No.)
- **The people building the wall were ready to fight the enemy. They held their swords in their other hands.**
- **Let's put our swords in our tool belts. Now, you are ready to build a wall, too!**
