Dear Students and Mentors,

_____ is our final class for Young Disciples Step 2. During class, we will discover and discuss the importance of being in community. We will also talk about the meaning of Holy Communion, a special ceremony where believers gather to break bread and drink from the cup to remember who Jesus is and what He has done for us.

After our class discussion, we will partake in Holy Communion together as a part of our worship time. To prepare your heart for this, please read Matthew 26:27-30 and think about the words Jesus spoke at the Last Supper with His disciples before He gave His life on the cross for us.

We look forward to seeing you then!
