Unit 1 Bible Memory Verse
"Not by might, nor by power, but by My Spirit,"
says the Lord Almighty." Zechariah 4:6b
"I will pour out My Spirit on all people."
Joel 2:28a

PRAY!

Pray this prayer
each day this week:

"Lord, thank You for healing
the man. Help us remember
to always praise You when
you heal us in any way.
Amen."

PLAY!

Ask your family to help you
make a list of all the times
God has healed you, your
friends, or your family members
in some way. Now, praise God for
these healings by singing a
favorite praise song or by writing
a new praise song.

What's the
Whisper Verse?

"He walked and
jumped and
praised God."

PONDER!

Read Acts 3:1-10 with your
family. Talk about how God
healed the man. (To heal is to
make well.) What did the man do
after he was healed? What would
you do if you were healed in the
same way as the man?
