PRAY!

Pray this prayer each day this week:

"Lord Jesus, we love to learn stories from the Bible. Please help us tell others about You. Amen.

PLAY!

Here is a way to tell others about Jesus. Teach your family and friends how to say and sign, "Jesus loves you."

First, tap one middle finger at a time in each palm and say,

"Jesus." Then, place your hands over your heart like you are hugging something and say, "loves." Last, point to the person you are teaching and say, "you!"

Tell everyone you meet that Jesus loves them, too!

What's the Whisper Verse?

"Tell me, please."

PONDER!

Show your "Teaching Bible" craft to your family. Tell them the story of Philip and the man from Africa. Then read Acts 8:27-31, 34-35 together. Did the man from Africa understand the Bible story? Philip explained the story was about Jesus. What Bible stories can you tell others?
