

PONDER! Read Acts 9:19b-25, 28 with your family. Saul kept telling people about Jesus, even though some people wanted to stop him. What did Saul's friends do to help him escape from the city? Discuss what each of you would like to tell others about Jesus. Who can you tell?

PRAY! Pray this prayer each day this week: "Lord, thank You for keeping Saul safe so he could keep telling people about You. Please help us keep telling others about You, too. Amen."

PLAY! "Saul Escapes!" Use your "Basket from Damascus" craft to act out the bible story. Ask your family to help you pretend to be Saul's friends and help him escape in the basket over a wall. Be sure to say and do the sign language for "Keep telling them," so Saul will keep telling others about Jesus.
