

**PONDER!** God is strong and will help us when we are weak and need His help (1 Corinthians 2:1-3, 5). Is there anything God cannot do? (No!)

**PRAY!** Pray this prayer each day this week: "Lord, help us when we are weak. Thank You for being so strong! Amen."

**PLAY!** Together with your child, choose activities that are easy for him or her to do and activities that are more difficult. Talk about how some tasks are easier when you work together. Talk about what might be difficult that God could help with such as telling others about Jesus or dealing with scary situations.

**BIBLE MEMORY VERSE**

I am
