Review: God chose Elisha to be Elijah's successor.

Point to Elisha (Circa 845-800 B.C.). **Today, we will hear of another time when Elisha saw chariots of fire. He warned the King of Israel each time the King of Aram (modern day Syria) planned to attack. The King of Aram sent his army to Dothan to capture Elisha.** Point to Dothan. **Check out what happened when the enemy surrounded the city.** Reveal Bible Story Scripture Reference: 2 Kings 6:15-20. Find and Highlight Key Verse First: 2 Kings 6:16. Pray. Read 2 Kings 6:15-20.

THE WAY GOD PROTECTS YOU

What did the servant see? (The army for Aram surrounding the city.)
Elisha's prayer was about opening his servant's "spirit eyes" to see the invisible things God was doing to protect them. What did Elisha's servant see then? (He saw God's horses and chariots of fire.)
Why did Elisha ask God to blind the enemy army? (So, he could lead them to Samaria where they would be outnumbered by Israelites.)

Psalm 91:11 tells us God's angels guard us, too. What are some of the dangers you face? (Discuss physical, emotional, and spiritual dangers—including the danger of bad influences.) **What reminds you that God is with you? What are the things that worry you or cause you**

to be afraid? Often, we do not see or feel God is protecting us. Let's brainstorm ways God might be protecting us in each of these situations. Lead a discussion of ways God protects our thoughts, sends angels to guard us, removes problems without us doing anything, gives us boldness or wisdom, comforts us, etc. **How might it calm your fears to picture the chariots of fire protecting you as they did Elisha?**

CHRIST CONNECTION:

How did Elisha encourage his servant? (He said, "Don't be afraid. Those who are with us are more than those who are with them.") **God wants our hearts to be at peace. Check out what Jesus said to encourage believers.** Reveal John 16:33. Find It First. Highlight. Read.

How do Jesus' words encourage you? Did Jesus say we would never have troubles? (No.) God does not always protect us in the way we hope or expect, but no matter what, we still belong to Him, the one true God, forever. He commands His angels to guard us. No one can take away the life we have forever with Him, now on earth or later in heaven. Why might knowing you belong to the one true God give you a peaceful heart even when you face danger or hard times?

Do you know someone who is worried or afraid of something? How might today's story give them courage? How can you encourage them? Let's take 7 seconds of silence to ask God to open their "spirit eyes" so they know God is with them. There are believers around the world who may fear for their survival just as Elisha's servant did. Soldiers, homeless families, those who are very ill, and many others need to know God is with them. During our Golden Bowl prayer, let's ask God to open their "spirit eyes," too.
