

PONDER! Read 1 Kings 18:30-39 with your family. In Bible times, the altar was a special platform used to give offerings to God. Talk about the way Elijah built the altar. Why do you think he poured water on it? What happened when Elijah asked God to send fire? Did people see God was the one true God?

PRAY! Pray this prayer each day this week: "Lord, thank You for being the one true God. Help us praise and worship only You. Amen."

PLAY! Make and altar! Together with your family, cut out 12 paper rock shapes. On each rock, write or draw one way God shows He is the one true God through His power. Tape the rocks together to make an altar and display it on a table or wall. Sing a song to thank God for being the one true God.
