

## WHAT DOES IT MEAN TO ME?

According to Joel 1:12, what was lost in addition to the crops?

- A) Their livestock.
- B) Their homes.
- C) Their cars.
- D) Their joy.

How did Joel (and God's people) interpret this kind of catastrophe?

- A) As a warning.
- B) As a blessing.
- C) As a random event.
- D) As a promise.

What do you consider to be catastrophe today?

- A) When you are unhappy.
- B) When you are late for school.
- C) When you lose someone close to you.
- D) When someone you love is ill.

The people of Judah were experiencing difficult times. Have you ever experienced something difficult that caused you to look to God?

If so, where did you see God in those events?

Have you ever strayed from God, and then returned "with all your heart"?

God always offered salvation to His people. What was His plan to offer salvation to the whole world?

- A) Noah and the flood.
- B) Jacob and the ladder.
- C) Jesus on the cross.
- D) Jonah in the whale.

Everyone who calls on the name of the Lord will be saved for a life forever close with God. To call on His name is to trust Jesus as Lord and Savior. Ask God to show you more about what it means to truly call upon Jesus and trust Him.
