

God Made People

Psalm 95:3-7

July: God Made Me

Focus this month on activities where your child can learn God made people and participate in activities using his or her body.

SAY IT

“God made me.”
Job 33:4

SING IT

I Have Two Eyes

(Tune: “Pop Goes the Weasel”)

I have two eyes. I have two ears.
I have two hands and feet. I have one
mouth and one little nose,
but oh, so many fingers and toes!

DO IT

I’m a Little Seed

(Point to each body part
as it’s mentioned.)

God made my ears.
God made my nose.
God made my fingers.
God made my toes.
God made my eyes.
They’re both open wide.
God made my mouth
with a tongue inside!

TELL IT

God Made People

God made everything!
God made the cold water we drink.
God made the big waves in the sea.
God made the land that’s all around
us. God made all the people, too—
Big ones and little ones,
People like me, and people like you.
God made us. And we are glad!
