

# Jesus Gave Food to His Friends

John 21:9-13

## November: God Gives Me Food

Focus on activities where your child hears God gave us food, feels thankful for good food, and tastes new foods.

## SING IT

### Each Little Child

(Tune: "Mulberry Bush")

Apples taste so good to me,  
So good to me, so good to me.  
Apples taste so good to me.  
I thank God for my food.

## SAY IT

**"God gives us food."**  
See Genesis 1:29.

## DO IT

### My Food

(Do this before a snack using the name of the snack instead of "cracker.")

This is my nose to smell my cracker. These are my eyes to see my cracker. These are my hands to hold my cracker. This is my tongue to taste my cracker. Thank You, God, For my cracker.

## TELL IT

### Jesus Gave Food to His Friends

Jesus' friends were hungry.  
So Jesus cooked some fish and bread. "Come and eat!" Jesus said.  
The fish and bread tasted good.  
Jesus' friends were glad  
He gave them food.  
We are glad for our food, too.
